

Name: Dr. Babita Sharma
Designation: Assistant Professor
Department: Education
Faculty of: Education
Email ID: babitasharma060276@gmail.com

ABOUT:

I am Dr. Babita Sharma, currently working as an Assistant Professor in the Department of Education, Faculty of Education. With 7 years of academic and teaching experience, I am dedicated to nurturing future educators and contributing to the development of the education system.

I hold a Ph.D. from Tanta University, Sri Ganganagar. I completed my M.Ed. from Maharaja Ganga Singh University, Bikaner, and my B.Ed. from the University of Rajasthan, Jaipur. My academic background has provided me with a strong foundation in educational theory, practice, and research.

My doctoral research focused on "*A Study of Values and Effectiveness of Teachers Working in Higher Secondary Schools*," a subject that remains central to my academic and professional interests. I have published 3 research papers exploring themes around teaching quality and educational values.

My areas of interest include **teacher effectiveness**, **professional values**, **secondary education**, and **teaching performance evaluation**. I am passionate about enhancing the quality of teaching and fostering value-based education that positively impacts students and society alike.

Experience: 7
